

TRANSPORTATION PUBLIC MEETINGS

for the CONNECT ATLANTA PLAN

the city's first master transportation plan

Please join us for the last round of public meetings to review and discuss the draft recommendations for the Connect Atlanta Plan. Recommendations stem from the study team's work to-date, which includes a completed analysis of the existing system, a detailed inventory of needs, and extensive ideas and suggestions from the public at-large. This input is reflected in a series of recommended transit, road, bicycle and pedestrian improvements. Please attend!
